How can we help in your job search?

Job Listings: Full-time, Internship, Co-op and Part-time
- Part-time, work-study, full-time, internship, and co-op positions are posted on the HIRE System. Visit the OSU Career Services website, www.hireOSUgrads.com, to activate your account.
- A few part-time job announcements within CEAT are posted on departmental bulletin boards or on the OSU Career Services website. However, most CEAT and other campus part-time jobs are filled by networking directly with faculty and staff in the various departments. If you are looking for a part-time position, visit with your advisor, faculty, and staff in your academic department. Keep your options open by looking at options in other departments and areas on and off campus.

CEAT Career Fair
The College of Engineering, Architecture & Technology Career Fair is hosted by the CEAT Student Council in mid-September. Companies with an interest in academic majors within CEAT and related majors attend the CEAT Career Fair, as well as other career fairs hosted by OSU Career Services. Career Fairs are an excellent opportunity for CEAT students to learn about the companies who recruit from this College, gather information about the industry, network with company representatives, and apply for internships, co-op, and full-time positions.
**Listservs**
Some CEAT majors or professional societies provide listservs to their students. If such a listserv is available, CEAT Career Services will utilize it to forward job announcements and other critical information.

**OSU Career Services On-Campus Interviewing System**
Companies interested in CEAT students, as well as majors from different colleges, will schedule interviews through OSU Career Services. To participate in the centralized on-campus interview program, you must subscribe to the OSU HIRE System. All current students automatically have a HIRE System account. To learn more about OSU HIRE System, visit www.hireOSUgrads.com, drop by 360 Student Union, or visit the CEAT Career Services office.

**Resume Referrals with OSU HIRE System**
Employers frequently contact OSU Career Services to request resumes. If you subscribe to the HIRE System and meet the qualifications specified by an employer, your resume will be referred. When you apply for specific positions, employers will be able to view your resume online.
